ANNOUNCEMENT OF MAVERICK INDUSTRIES NAME CHANGE

Dear valued customer,

In January of 2021, Triad Technologies acquired Maverick Industries in Brecksville, Ohio. Since that time, we have continued to operate in this location under the Maverick Industries name. Triad’s strategic vision is to grow our industrial hose product and service offering to better allow us to support our current and future customers. The acquisition of Maverick Industries supports this vision. However, we now feel the time is right to operate our combined company under the name, Triad Technologies, LLC.

Effective March 6th, 2023, the Maverick Industries name and any references to the Maverick brand will be replaced by “Triad Technologies, LLC”. This includes all correspondence, orders, invoices, and remittance. Our remit-to addresses are listed below:
